### **TAKE INVENTORY**

You start by taking inventory of your business assets. Catalog equipment, consolidate client lists, gather your contracts, leases, titles and revenue reports.

We'll analyze and group your assets by type and market value.

You'll have questions... we'll have answers.

## SET TARGETS

Next, we'll work together to identify and target potential buyers for your asset groups.

We can sell them as a whole package or individually. It depends on what you're working with and what works best for you.

### CASH OUT

When buyers show interest in your assets, you can trust us to manage the purchase process ensuring your assets are transferred correctly.

Finally, **YOU GET PAID.** Instead of closing your doors and walking away with nothing, you end up with cash to pursue your next adventure.

**You can win this.**
